RE-ENROLLMENT FOR 2007-2008

Please note: Acceptance letters for new students have been sent. No spots will be held for current students if arrangements have not been made with Demi Elliott.

NEWS FROM THE LEE UITERWYCK LIBRARY

Over-due notices were delivered to students today. Please help your student look for the missing books and return them by Friday, March 16. Over-due notices are not a crisis, just a call to order. If you or your child believe the book (s) have been returned, please send Mrs. Quinn an email or note. If you are unable to find the books, let's not fret now, they may turn up during inventory. Our school rule is that we will charge a student the replacement cost for non-returned books if the student has more than two (2) missing books. A student's non-returned status is determined after inventory. Parents will be billed in June. Thanks for your help in this matter.

Mrs. Marsha Quinn

Running Tips 3/14/07

Don't play catch-up if something interrupts your training. Don't try to lengthen your runs and cram harder workouts close together.

When cross-training, choose workouts that are closest to running in terms of muscles used and aerobic systems taxed.

Tips information gathered from Runner's World (www.runnersworld.com)
