

Dear Parents;

It is that time of year again. Basketball will start on Monday, Nov. 1st. Again this year, we are going to order team shoes. (more info will follow)

On Thursday, Oct. 28th there will be a meeting after school for all players in the gym. At that time, coaches will be handing out permission slips and going over other important information.

The coaching staff at St. John is committed to doing the best, but we can only succeed with your help. Players need to be at every game and practice. If they are doing other activities, we ask that St. John come first. If you have any questions, please come by on Thursday or at anytime before the end of this week.

Coach Tim Rovnanik
Athletic Director
